Nationwide Machinery and Equipment Appraisal Services

Since 1955, Sencer Appraisal Associates has been providing professional tangible asset appraisal services to lenders, tax authorities and business leaders across North America and around the world. The firm has a reputation as an industry leader, serving a wide range of public and private sector clients, from sole proprietorships to the world's largest Fortune 100 & 500 corporations. All appraisals meet the highest industry standards as well as the Uniform Standards of Professional Appraisal Practice (USPAP), and are used to support litigation, tax, and other financial and management reporting requirements.
